

Frida Kahlo

Frida Kahlo is one of the most celebrated painters in the world.
Can you help her complete her portrait? Give her some flowers in her hair
and a monkey on her shoulder (and don't forget to add lots of color)!

Diego Rivera

Diego Rivera was a famous Mexican artist who was married to Frida Kahlo. Can you color his feathered serpent for him? Some people thought he looked like a frog; don't forget to color him in too!
