Scotland

Halò Scotland!

We've trekked through Patagonia, learned maki-e in Japan and gone to surf school in Australia... now we're exploring Scotland from highlands to islands!

EDINBURGH

Once Upon a Time

Scotland is a treasure trove of fables, folklore and mythological creatures! Here are a few fantastical tales to share and a fun coloring activity for your little citizens.

Wild Haggis

You might find a wild Haggis up in the highlands... two of its legs are shorter than the others, so it's great at running in circles around the hills & mountains.

The Legend of Nessie

A curious creature that is often spotted, but never found, it's said that Nessie has lived in the waters of Loch Ness for centuries. Do you think she is real?

Will o' the Wisps

Don't follow these mysterious, mischievous lights! They're known to lure weary travelers away from safe paths.
